

S.K.V Hercules

Declaration of consent concerns data processing

We would you to inform about the association, sport activities, offers, etc. for proper functioning of our association. Further, we would like to publish game schedules, match results and sometimes audio and video materials from you on the internet, apps and social media. If you agree with this from, you give us permission to use your data theretofore.

If you accept the declaration of consent, S.K.V. Hercules (further: (the) association) gets the permission to process the data.

Permission is given to the association for the data processing given below:

- Approach me for sport activities from third parties, for example other sport associations or social service providers.
- Publish audio and video material from me on the internet: TransIP, our web hosting at the UT, and social media: Instagram, YouTube and Facebook.
- Make my name available for other members in a closed online environment.
- To approach you for a special event, or reunion after the termination of your membership.

The declaration of consent only counts for the reasons, data and organisations given and described above. For new data processing you will be informed at least four weeks in advance of the execution of the new processing. You will have three weeks after publishing of the new data processing to object. If an objection has been lodged, the new data processing have to be approved at the general member assembly.

A declaration of consent can be withdrawn at any time. Keep in mind that you can always contact the board to remove certain personal information or photos that are shared on social media. Contact details can be found at the bottom of the website.
